

Scope of Work (SOW) Legal Services: Property Disposition

Copenhagen, Denmark

The United States Government (USG) requires legal services in connection with the disposal of property in Copenhagen, Denmark (address provided below).

Property Address:

The property consists of a single-family residential home located at Ørnebakken 67, Holte, Denmark.

Services:

The services listed below may be requested at any time and not necessarily in the order presented. Bids must account for providing all services during the disposal process, including post-closing actions. Contract administration and requests for deliverables will be handled through the Contracting Officer (“CO”), and Contracting Officer’s Representative (“COR”) or the Assistant Contracting Officer’s Representative (“ACOR”).

The selected awardee (i.e., Vendor) will provide the following:

1. ***Within two weeks from receipt of task order***, the USG requests a **legal summary** and flow chart containing detailed information on the steps associated in selling property in host country. This should include the entire process through closing and final registration of the sale, including procedures, expected time frames, all related fees (including shared sale-fees by parties), and expenses in closing property sale/s
2. Provide **legal services** in regard to property sale/s, including the below tasks:
 - Provide a detailed description of any requirements that the USG must notify the local government, including specific agencies, of the transfer, and any additional applicable host government approvals or certifications that are required by the local government, before, during and after the property transfer.
 - Assist the U.S. Embassy/Consulate in drafting and applying for waivers of registration, transfer, sales taxes or charges to which the USG is entitled to an exemption under international law and treaty, if requested.
 - Review the USG standard sales contract (**Appendix A**) for compliance with local law and custom. Standard USG provisions are to be retained to the maximum extent possible. If any explanations, changes and/or modifications are required, coordinate with the point of contact within the Bureau of Overseas Buildings Operations (OBO) in Washington, DC, and the Office of the Legal Advisor, Buildings and Acquisitions (L/BA). The contract shall provide for conveyance of the property in “as is” condition, without continuing warranty of title, and shall not grant a unilateral right for the Buyer to terminate or otherwise cancel the contract.

- Recommend further modifications/final modification to the sales contract, if necessary, and provide a translation, prepared by a qualified, certified translator, of the final package and presented on a side-by-side layout format.
 - Review any USG-supplied documents, in addition to the standard sales contract. Provide advice and comment on their acceptability under local law and practices. Propose revisions as needed to ensure that the documents comply with local laws and practices.
 - Prepare and register all appropriate documents required for formal transfer of title. Coordinate with a reputable Public Notary (if necessary) for the preparation of all final sales documents. Conduct the closing of the transaction.
 - Advise when a sale or transfer is legally considered final as well as any post-settlement procedures that may delay relinquishing full ownership rights to the Buyer or Transferee of the property.
 - Provide an estimate of how long the process typically takes to fully transfer property rights after a contract is ratified.
 - Confirm that all taxes normally assigned to the seller/transferor (USG) for the transfer will be waived.
 - Summarize the costs that are usually paid by each party, both as a matter of custom and as a matter of law, in order to determine whether the USG will be entitled to any exemptions from payment. When customs and the law are in conflict, explain which rule is typically followed.
 - Research and advise the USG on whether any local currency, VAT and other tax laws will affect the transaction.
 - Participate in any necessary meeting/s, and facilitate and meet with the local government/authorities to process and conclude the property sale/s.
 - Provide any and all other legal service/s, that is/are not specifically noted in this Statement of Work, and that is/are necessary to conclude the property sale/s.
3. Perform **legal due diligence** of the title research for the purpose of selling the property including:
- List of the properties, including addresses and land registry numbers.
 - Review any original USG provided documents that conveyed a property interest to the USG originally, and report if there are any limitations on how the property may be disposed of.
 - Perform a title search for each disposal property. Confirm whether any surveys attached to the title deed conform to the description in the title deed, and that the property is free and clear of any encumbrances, whether or not registered.
 - Determine the legal interest owned by the USG and provide details regarding any leases, ground leases or other rights that would deem the property anything other than a freehold estate.
 - Provide a report that details any title discrepancies to the U.S.

Embassy/Consulate and OBO immediately once a title search is performed. Include the description of the problem, the path to resolution, and the timeline to resolve.

- Explain the procedure to obtain replacement documents in the event that USG provided documents and your research do not affirm that the USG has clear title or an alienable interest in the property, and assist in obtaining those documents.
- Participate in any necessary meeting/s, and facilitate and meet with the local government/authorities to process and conclude the property sale/s.

4. Pre-sale Certification: The Vendor must search the title and formally provide a written **Letter of Opinion**, in English, that the verification and the engineer's or land surveyor's report have been compared with the existing title record. The Vendor's letter must contain the following certifications:

That the property description in the sale agreement corresponds exactly with the description in valid deeds and prior land surveys in the offices where conveyances, survey plats, and other instruments that affect title are officially recorded;

In order to provide the above certification, the Vendor shall confirm through investigation of existing title records and/or field investigation:

- a) There are no discrepancies in measurements of boundaries or land areas;
- b) There are no conditions that might adversely affect the U.S. interest that do not appear in the abstract of title; or
- c) A comparison of the field survey and title search reveals certain exceptions (if these exist) to a clear and unencumbered title that do not appear in the present title record (exceptions to be listed), but that the Vendor, at their expense, has taken or is taking all steps necessary to clear any noted exceptions, and that the proposed legal instrument of conveyance, as drawn by the local land title expert, will, under local law and custom, serve as a document of correction to the erroneous title record;
- d) There are no mortgages, liens, charges, incidents of tenure, encroachments, reserved strips of land blocking access to public thoroughfares, street widening or public improvement projects proposed or pending, or any other encumbrances or defects of any kind recognized by the laws of the country as affecting the title; and,
- e) The United States of America has a perfect, exclusive, and unencumbered title to the property and has a full power to convey.

If Vendor identifies issues relevant to subparagraphs a-c above, a report shall be submitted that describes the nature, duration and steps necessary to correct the discrepancies, variances, and/or encumbrances, if such corrections are recommended.

NOTE: If the attorney does not deem themselves capable of verifying existing land surveys in order to deliver the Pre-Sale Certifications, they shall be responsible for retaining and compensating whatever additional professional assistance needed to deliver the Certification. The cost of retaining additional professional assistance, if necessary, shall

be included in the attorney's bid.

5. Post-sale Certification: Upon completion of the sale, the Vendor must certify in the form of a written **Letter of Opinion**, in English, that:
 - (a) The deed is in the form approved and uniformly used in the country;
 - (b) The deed has been filed, recorded, and registered in accordance with local law, and the United States of America has now transferred the title to the buyer; and
